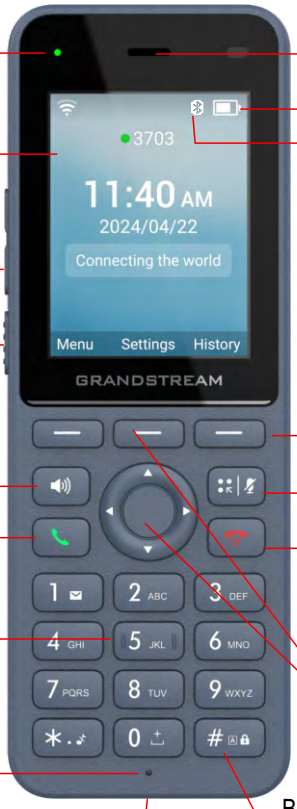
WP826 / WP836 WIFI IP CORDLESS PHONE - USER SHEET



WP826 WP836

Note: WP826 & WP836 are same design / layout. Slightly different in size only.

SPECIAL FUNCTIONS & FEATURES

***Screen menu buttons: Note: These change when static, or in an active call - to access call features such as: Options:** Transfer, Blind Transfer, Attended Transfer, Conference, New call, Hold.

PPT - Push To Talk: This is a **"Walkie Talkie" feature** only on the WP8xx Cordless Phones. To use - hold the PPT button down, await a connection then depress and hold the button again while talking. Release the button when finish taking.

CALL INSTRUCTIONS

Placing an outbound call: Simply key in the number you are dialing - then press CALL button or the " ✆ **" button. To end a call - press the END button or "** ✆ **" button**

While in a call:

TRANSFER - Press the Transfer Button - key in the Extension you are transferring to, press transfer again.

CALL PARK - Press the Transfer Button - key in the part orbit: 701, 702, 703, 704 and press Transfer again.

RETRIEVE PARKED CALL - Key in the park orbit number (701, 702, 703, 704) + press dial - the call will be retrieved.

CONFERENCE - Press the Conference button - the first caller will be put on hold, then key in and dial the second caller.
